

A HOLISTIC SOLUTION FOR INSIDER THREAT DETECTION

MISSION-CENTRIC DATA VISUALIZATION

Customized Analyst Interface

Actionable Alert Prioritization

CUTTING-EDGE RISK SCORE MODELING

AI/ML UEBA Model Library

High-Performance Event Processing

ANONYMIZED DATA TRANSFORMATION

Pre-Developed ETL Code Library

Sophisticated Data Masking

INTEGRATED CLOUD ARCHITECTURE

Data Sources

Existing UEBA/UAM Tool Integration

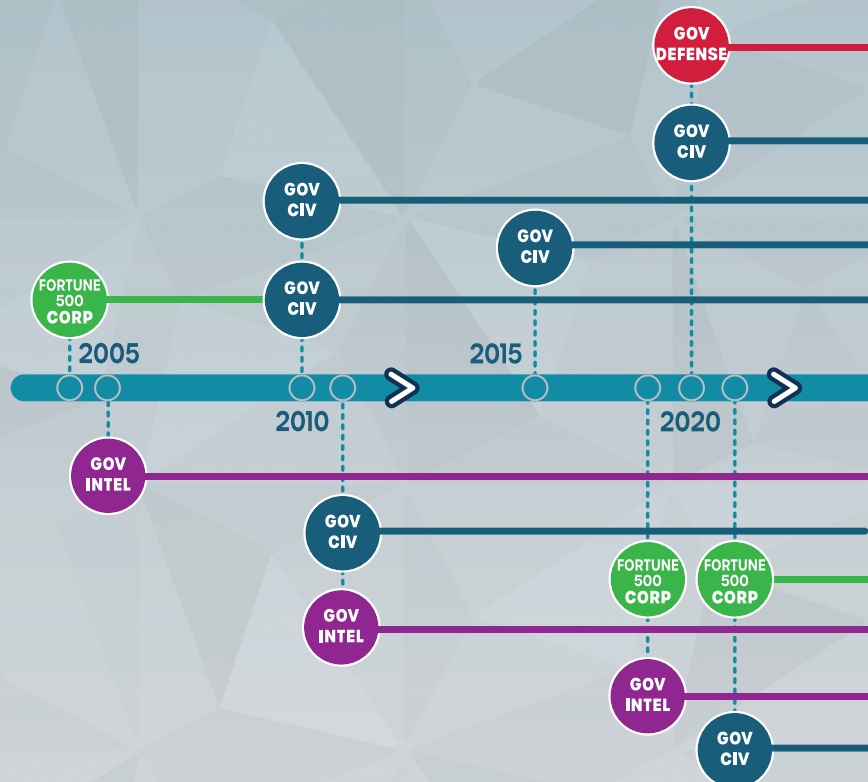

Mitigate Insider Threats with Confidence

- 1 Reduce Inefficiencies** with a tailored end-to-end solution
- 2 Identify Blind Spots** with 360° view of all data & tools
- 3 Remove Bias** with sophisticated data masking
- 4 Eliminate Doubt** with 20+ years of detection expertise

Decades of Threat Detection Experience

Trusted by Leading Government Agencies & Corporations

ELDER RESEARCH
